CrownFlow BC

WHY SPECIFY IT

Boiling and chilled, on the counter.

Engineered for space-conscious environments, CrownFlow combines modern aesthetics with practical functionality: convenience, quality and style in one compact unit.

Boiling & chilled
A 1.5 L boiling capacity rated 75 cups/hour and a 2 L chilled capacity rated 100 cups/hour.

Built-in UV, NSF-rated build
A built-in UV module and durable, NSF-rated construction give long-term reliability with minimal maintenance.

Pairs with treatment
Can be paired with a Sovereign water treatment system (sold separately), including reverse osmosis options tailored to local water conditions.

75/h	100/h	UV built-in	0.6kW
BOILING CUPS	CHILLED CUPS	DISINFECTION	TOTAL LOAD

ECO
efficiency controller

Powers down when idle

An intelligent efficiency controller automatically powers the system down during periods of inactivity to reduce energy usage without impacting readiness.

SPECIFICATIONS

Technical detail.

Model	CrownFlow BC
Product code	SWC-CF-BC-BL
Datasheet ref	SWC-CFBC-25-R0
Type	Countertop dispenser
Water modes	Boiling · chilled
Boiling capacity	1.5 L · 75 cups/h
Chilled capacity	2 L · 100 cups/h
Interface	Touch-button
